Staffing Update

With a saddened heart, we say goodbye to Yeter this month. Unfortunately, over the last few weeks, her personal circumstances significantly changed which had an extreme impact on Yeter's health and well-being. Because of the nature of Yeter's personal circumstances, we ask that you respect her privacy during this time.

As a result, I will continue managing the floor and planning for all of Yeter's current key children. As a result, we will be hiring another Nursery Nurse to join our team

Please welcome Ruby to the setting! Ruby has come on board with the aim of completing her apprenticeship in childcare with us at Creative Stars. She will be working on a part time basis throughout the nursery.

Curriculum Update

After seeing how much the children loved learning about Yeter's travels, we have decided to learn about a new place each month. In January, we have been learning about America!

For the month of February, we will be learning about China. On Friday 16th February, we will celebrate the Chinese New Year onsite with the children and also have many activities around the topic too.

.

Uniform Update

Many apologies in the delay with our uniform order. We now have new stock onsite. If you have previously ordered uniform which you need to collect, please discuss this with Leon in the mornings. If you would like to purchase additional uniform wears, please liaise with Naomi regarding the matter.

Arts and Crafts @ Creative Stars

We now have Kelley joining us on Tuesday afternoons from 4.30 – 6.00 to lead arts and crafts projects. She has already been creating some lovely work with the children.

Dates for your Diary
